

GET a Vaccine GIVE

If you have been vaccinated against COVID-19 you can give a vaccine to someone in need by supporting UNICEF in the biggest vaccine procurement and distribution in history.

Nobody is safe until everyone is safe and no child is safe until everyone they rely on is safe.

With your support, UNICEF will deliver 2 billion COVID-19 vaccines to the most vulnerable families, health workers and high-risk people on our planet.

JOIN THE RACE TO END COVID-19

UNICEF has spent 75 years saving children's lives and fighting for their rights. **We have decades of experience delivering over two billion vaccines to protect half of the world's children** in any given year.

That is why UNICEF has been called upon by COVAX to procure and deliver more than 2 billion COVID-19 vaccines for 92 countries

that are at risk of getting left behind. We are the only organisation that can get this done, and **we need your help.**

From buying and transporting supplies, to administering the vaccine, you will help deliver the biggest vaccination campaign in history and help end this pandemic.

YOUR DONATION WILL ENSURE:
