

Child Rights Schools Safety Survey

Note For Educators

Depending on the age of the children, these questions could be discussed in a group, or the survey completed individually. If children complete the survey themselves, discuss and agree as a class if their responses will be anonymous. Analyse and display the responses on a graph. This can be done by hand, or digitally, using Excel.

Are there times you do not feel safe at school? Circle your answer.

Yes Sometimes No

Circle the places where you do not feel safe.

school gate	school hall	secretary's office	stairs
principal's office	corridor	staff room	yard
my classroom	toilet	sports hall	other

If you feel unsafe in some places, explain why.

Place 1

Where do you feel unsafe?

Why do you feel unsafe in this place?

What needs to change so that you can feel safe in this place?

Place 2

Where do you feel unsafe?

Why do you feel unsafe in this place?

What needs to change so that you can feel safe in this place?

Where do you feel safest in the school?

Why do you feel safe in this place?

Is there anything else you would like to share?
