

**GROUP 3:** ASSETS WORTH MORE THAN \$2,200

# Workshop 3: Our Choices

## Ho Thi Lang

My Name is Ho Thi Lang I live in Vietnam and I am a student at a UNICEF Centre which supports children with disabilities. It helps children to gain new skills and opportunities. It enables us to get physical therapy and to socialise. In Vietnam there are 1.3 million children that live with disabilities.

[See Ho Thi Lang's video here](#)

**"I believe that just because we have disabilities does not mean we are useless. We might even be able to do things other people can't do."**

**Vietnam?**

---

---

---

---

---

**How does having a disability make participating difficult?**

---

---

---

---

---

---

**How can we work together to ensure that children with disabilities have the opportunity to pursue their hopes and dreams?**

---

---

---

---

---

---

**Write your own positive statement about disability.**
